By Mercedes Hernandez and Fido F. Paredes

OPPOSITION LEGISLATORS WIDELY REJECTED President Manlapaz's attempt to dissolve the Council of Cities as a 'cry for help' in a ploy to win his re-election with a 'one-time-of-legitimacy' and blast efforts to ensure his strong influence on the government of Manila in preparation.

Sen. Aquilino Pimentel Jr. said the move to dissolve the council was a 'cry for help' and a 'one-time-of-legitimacy' to ensure his strong influence on the government of Manila in preparation.

Zawahiri to Bush: Admit defeat in Iraq

IRRABAH—AL QAEDA LEADER MOHAMMAD ZAWAHIRI called on U.S. President George W. Bush to "admit defeat" in Iraq, saying any future U.S. troop withdrawal would be a "victory" for Islam in a video broadcast to U.S. audiences on Friday.

Zawahiri, 40, is a Saudi-born Egyptian who has spent the last 10 years in Iraq and has been the most prominent leader of the al-Qaeda network since the Sept. 11 attacks.

He said in the video, "I am speaking to you, Mr. President, and I am speaking to the American people. I am speaking to the Muslim world. I am speaking to the world."

He said that the U.S. has failed in Iraq and that the only way to win is to withdraw troops. He said that the U.S. has failed in Iraq and that the only way to win is to withdraw troops.

Israel braces for end of era as Sharon still critically ill

TEL AVIV—Israel's Prime Minister Ariel Sharon is expected to leave office in a few days, but his health remains a mystery.

Sharon has been in a coma since he was hit by a bullet in the head during a security check at his home in Ramat Gan on Feb. 25.

His condition has improved slightly, but he is still unable to speak or move on his own.

His death would mark the end of an era in Israeli history, as Sharon was one of the most powerful leaders in the country's history.

UP grad has grand plan for engineering school

By Phil Street-Quintos

The University of the Philippines (UP) has a grand plan for its engineering school, according to a recent report. The plan, which is part of a larger initiative to revitalize the school, includes the construction of a new building, the hiring of new faculty, and the implementation of a new curriculum. The plan is being led by the school's dean, who is a former UP professor and a well-known figure in the engineering community. The plan is expected to be completed by 2025.

Young stock market hotshot learns skills from PSE game

A young stock market hotshot, who has made a name for himself in the Philippine Stock Exchange (PSE), has learned his skills from a game. The game, which is a simulation of the stock market, has helped the young man to develop a deep understanding of the market and its dynamics. He has used the game to test his strategies and to learn from his mistakes. The game has also helped him to build a strong network of contacts in the stock market. The young man, who is a graduate of a top university, has been able to apply the skills he learned from the game to his real-world trading. He has been able to make significant profits and has become a well-known figure in the stock market. The game has also helped him to develop a strong sense of discipline and risk management, which are essential skills for success in the stock market.

A Pinoy church in the **Big Apple**

By Catherine Reyes Posing
 Staff Writer

FELIX LOPEZ, 45, is a
 first-time father. He's a
 happy, laid-back guy
 living in the city of New York.

He's a Pinoy, a Filipino, a
 man of many talents. He's a
 father, a husband, a son, a
 brother, a friend, a neighbor.
 He's a man of many faces.
 He's a man of many hearts.

He's a man of many talents.
 He's a man of many faces.
 He's a man of many hearts.
